

## ÇUKUROVA UNIVERSITY 2018 - 2019 FALL TERM INTERNATIONAL STUDENT QUOTAS

Programs	Quotas		Conditions	Yearly Tuition Fees
	Master Degree	PhD		
<b>INSTITUTE OF ADDICTION AND FORENSIC SCIENCES</b>				
Forensic Sciences (Turkish)	2	-	In accordance with the bilateral cooperation protocol signed between Çukurova University and Mbrara University, Ugandan students can apply.	768 TL
<b>INSTITUTE OF NATURAL AND APPLIED SCIENCES</b>				
Astronomy and Astrophysics	1	-	*Foreign Language Exam Result is obligatory for this department	768 TL
Horticulture (Turkish)	8	8	<u>Master Degree:</u> To graduate from the Department of Plant Production or an equivalent department <u>PhD:</u> To graduate from the Department of Plant Production or an equivalent department.	768 TL
Computer Engineering (English)	2	2	<u>Master Degree:</u> To graduate from the Department of Computer Engineering, Software Engineering, Electrical and Electronic Engineering, Electronics and Communications Engineering, System Engineering, Control Engineering, Mathematics Engineering, Mechatronics Engineering or Information System Engineering. Those who have not graduated from the Department Computer Engineering must attend the Scientific Preparation Program. <u>PhD:</u> To have a Bachelor or Master Degree Diploma of the Department of Computer Engineering, Computer Sciences, Electrical and Electronic Engineering or Software Engineering. Those who have not graduated from the Department Computer Engineering must attend the Scientific Preparation Program. *English language exam result is obligatory for this department.	768 TL
Plant Protection (Turkish)	4	2		768 TL
Biotechnology (Turkish)	5	5		768 TL
Environmental Engineering (Turkish)	2	2		768 TL
Electric - Electronic Engineering (English)	3	4	*English Language Exam Result is obligatory for this department	768 TL

Physics (Turkish)	5	3		768 TL
Food Engineering (Turkish)	6	6	<p><u>Master Degree:</u>  a) Those who have graduated from one of the departments of Food Engineering, Milk Technology, Chemistry Engineering, Bioengineering, Molecular Engineering of the Faculties and Advanced Technology Institutes and Genetics, Chemistry, Biology, Nutrition and Dietetics of Schools or Faculty of Health Sciences, any department of Faculty of Agriculture, Faculty of Fisheries, Environmental Engineering, Pharmacy, Industrial Engineering, Mechanical Engineering, System Engineering or Faculty of Veterinary can apply. b) Those who have not graduated from the Department of Food Engineering must attend the Scientific Foundation Program.  <u>PhD:</u> Those who have baccalaureate diploma from the Department of Food Engineering can apply.  *Foreign Language Exam Result is obligatory for this department</p>	768 TL
Civil Engineering (Turkish)	3	-	<p><u>Master Degree:</u> To have a bachelor degree diploma of the Department of Civil Engineering.  *Foreign language exam result is obligatory for this department.</p>	768 TL

Statistics (Turkish)	11	9	<p><u>Master Degree:</u>  a) Those who have graduated from one of the departments of Statistics, Mathematics, Statistics and Computer Sciences, Mathematics and Computer Sciences, Mathematics Engineering, Econometrics, Industrial Engineering, Electric and/or Electronic Engineering or Computer Engineering can apply.  b) Those who have not graduated from the Department of Statistics must attend the Scientific Foundation Program.</p> <p><u>PhD:</u>  a) Those who will apply for Master Degree or PhD after Bachelor Degree must have a Bachelor Degree or Master Degree diploma from one of the departments of Statistics, Mathematics, Statistics and Computer Sciences, Mathematics and Computer Sciences, Mathematics Engineering, Computer Engineering, Biostatistics, Econometrics, Industrial Engineering, Electric and/or Electronic Engineering.  b) Those who do not have a Bachelor Degree or Master Degree diploma from the Department of Statistics must attend the Scientific Foundation Program.</p> <p>*Foreign language exam result is obligatory for this department</p>	768 TL
Geological Engineering (Turkish)	5	4	<p><u>Master Degree:</u> Those who have a Bachelor Degree Diploma from the department of Geology can apply.  <u>PhD:</u> Those who have a Master Degree Diploma from the department of Geology can apply.</p>	768 TL

Chemistry (Turkish)	1	1	<p><u>Master Degree:</u> Those who have graduated from one of the departments of Chemistry, Chemistry Engineering, Chemistry Education, Pharmacy and Biochemistry can apply. Those who have graduated from one of the departments of Physics Engineering, Physics, Biology, Environmental Engineering, Food Engineering or Textile Engineering must attend the bachelor degree courses according to their field of study besides compulsory courses.</p> <p><u>PhD:</u> Those who have a Master Degree Diploma from one of the departments of Chemistry, Chemistry Engineering, Chemistry Education, Pharmacy and Biochemistry can apply.</p>	768 TL
Mining Engineering (Turkish)	1	1	*Foreign language exam result is obligatory for this department	768 TL
Mechanical Engineering (English)	1	2	<p>Those who have a Bachelor Degree Diploma of Mechanical Engineering can apply.</p> <p>*English language exam result is obligatory for this department</p>	768 TL
Architecture (Turkish)	1	-	<p>Those who have a Bachelor Degree Diploma of Architecture can apply.</p> <p>*Foreign language exam result is obligatory for this department</p>	768 TL
Fishery and Fish Processing Technology (Turkish)	3	3		768 TL
Fishery Basic Sciences (Turkish)	3	2		768 TL
Fishery Cultivation (Turkish)	1	3		768 TL
Agricultural Economy (Turkish)	5	5		768 TL
Agricultural Machinery and Technologies Engineering (Turkish)	4	4	<p><u>Master Degree:</u> To graduate from one of the departments of Agriculture Faculty.</p> <p><u>PhD:</u> To have Master Degree diploma from one of the departments of Agriculture Faculty.</p>	768 TL

Field Crops (Turkish)	10	5	To graduate from the Department of Field Crops or any other department under the scope of Plant Production Program or the graduates of any other department (bachelor degree graduates of the department of Pharmacy, Biology, Forest and Chemistry) relating to the study fields of the Department of Field Crops can apply provided that they accept to attend to the Scientific Preparation Program before beginning to study a Graduate program in our Department. PhD: To have a Bachelor degree diploma of the Department of Field Crops or Master degree diploma of the Department of Field Crops.	768 TL
Soil Sciences and Plant Nutrition (Turkish)	2	1		768 TL
Zootechnics (Turkish)	4	3	<u>Master Degree:</u> Those who have a Bachelor degree diploma from one of the departments of Faculty of Agriculture, Faculty of Fisheries, Faculty of Veterinary, Chemistry, Mathematics, Statistics, Econometrics, Computer Sciences and Engineering, Industrial Engineering, Bioengineering, Biology and Genetics can apply. <u>PhD:</u> Those who have a Bachelor degree diploma from one of the departments of Faculty of Agriculture, Faculty of Fisheries, Faculty of Veterinary, Chemistry, Mathematics, Statistics, Econometrics, Computer Sciences and Engineering, Industrial Engineering, Bioengineering, Biology and Genetics can apply.	768 TL
Occupational Safety (Thesis) (Evening Education) (Turkish)	5	-		5500 TL
Occupational Safety (Non-Thesis) (Evening Education) (Turkish)	5	-		5500 TL
<b>INSTITUTE OF MEDICAL SCIENCES</b>				
Biophysics (Turkish)	3	3	*Foreign language exam result is obligatory for this department	768 TL
Medical Biochemistry (Turkish)	2	-	*Foreign language exam result is obligatory for this department	768 TL

Medical Biology (Turkish)	2	-	*Foreign language exam result is obligatory for this department	768 TL
Medical Microbiology (Turkish)	2	2	*Foreign language exam result is obligatory for this department	768 TL
<b>SOSYAL BİLİMLER ENSTİTÜSÜ</b>				
Business Administration (Turkish)	5	1	*Foreign language exam result is obligatory for this department	768 TL
Management and Organization (Distance Learning) (Turkish)	5	-		7500 TL
Economics (Turkish)	2	2	*Foreign language exam result is obligatory for this department	768 TL
Economy (Non-Thesis) (Evening Education) (Turkish)	1	-		4500 TL
Public Finance (Turkish)	10	-	*Foreign language exam result is obligatory for this department	768 TL
English Language Teaching	3	3	To graduate from the Department of English Language Teaching, Translation and Interpreting (Eng), Linguistics, English or American Language and Literature. *English language exam result is obligatory for this department.	768 TL
German Language Teaching	2	2	*Foreign language exam result is obligatory for this department	768 TL
Arts and Crafts Teaching (Turkish)	1	1	*Foreign language exam result is obligatory for this department	768 TL
Art and Design (Turkish)	1	1	*Foreign language exam result is obligatory for this department	768 TL
Philosophy And Religious Studies (Turkish)	3	3	*Foreign language exam result is obligatory for this department	768 TL
Basic Islamic Studies (Turkish)	5	4	*Foreign language exam result is obligatory for this department	768 TL
Islamic History and Arts (Turkish)	1	-	*Foreign language exam result is obligatory for this department	768 TL
Interior Design (Turkish)	1	-	*Foreign language exam result is obligatory for this department	768 TL
